

CFM Forum AGENDA

Center for Formulated, Multi-Functional Soft Materials

Elings Hall, Room 1601
California NanoSystems Institute (CNSI)
University of California, Santa Barbara

MARCH 23, 2018

8:00 - 8:30	Continental Breakfast and Registration	
8:30 - 8:45	Welcome/Overview	
8:45 - 10:15	Session I Defining the space	
8:45 - 9:00	Marco Caggioni, Procter & Gamble	Consumer products
9:00 - 9:15	Amr Abdel Fattah, Saudi Aramco	Oil & gas
9:15 - 9:30	Todd Talashek, CP Kelco	Polymers, hydrocolloids, & fibers
9:30 - 9:45	Jie Ren, Merck	Pharmaceuticals
9:45 - 10:00	Susan Jordan, DowDupont	Specialty/health & nutrition
10:00 - 10:15	Tim Mauldin, HP	Inks & electronics
10:15 - 10:30	Break	
10:30 - 12:00	Session II Science across the industry/academic divide	
10:30 - 10:45	Chris Tucker, Dow Chemical	Formulations
10:45 - 11:00	Matt Fesinmeyer, Amgen	Pharmaceutical formulations
11:00 - 11:15	Christine McGuinness, Solvay	Coatings, Advanced Materials
11:15 - 11:30	Josh Speros, BASF	Specialty chemicals & formulations
11:30 - 11:45	Ian Shieh, Genentech	Pharmaceutical Biologics & formulations
11:45 - 12:00	Nancy Falk, Clorox	Cleaning
12:00 - 1:00	Lunch , with slideshow highlighting UCSB research activities and expertise	
1:00 - 2:30	Session III Education, Training, Entrepreneurship and Engagement	
1:00 - 1:15	Todd Squires, UCSB Chem Eng	Soft material & complex fluid design
1:15 - 1:30	Patrick Spicer, UNSW Chem Eng	Chemical product design, infrastructure
1:30 - 1:45	Sherylle Mills-Englander	IP and Tech Transfer options
1:45 - 2:00	Louis Perez, Apeel Sciences	Growing start-up
2:00 - 2:15	Craig Hawker, Olaplex & UCSB	UCSB start-up
2:15 - 2:30	Tal Margalith, UCSB CNSI	Models and modes of engagement
2:30 - 2:45	Break	
2:45 - 4:15	Session IV Discussion/Brainstorm panel Strategies to build & sustain engagement	
4:15 - 4:30	Break	
4:30 - 5:00	Wrap-up discussion and Next Steps	
6:00	Participant Dinner – Off-Site: <u>Opal Restaurant</u> 1325 State St. Santa Barbara, CA 93101
